WORLD'S NO.1 INTEGRATED MANUFACTURING PLANT

ROBOTIC PAINTSHOP

ROBOTIC GEAR SHOP

ROBOTIC WELDING

Solis has established World's No.1 integrated Tractor manufacturing plant in Hoshiarpur, Punjab with a production capacity of 300,000 Tractor annually. The plant is widely spread across many acres and has 10 different manufacturing units which produces heavy duty

tractor range of Solis. The quality of the output is because of the highly professional and skilled manpower, with their core as most effectiveness. Thus the manufacturing plant provides a complete solution to "Total Customer Satisfaction."

BEHOLD THE COMPACT SERIES

- S24 - MANUAL DRIVE 24HP ENGINE
- S24 Shuttle XL - MANUAL DRIVE 24HP ENGINE
- H24 - HST ROPS - 24HP ENGINE
- H24 - HST CABIN - 24HP ENGINE

COMFORT

Our tractor has a "Best-in-class" Wide Flat platform workspace, providing a wider entry for easier entry and exit.

Our unique, new style fenders have integrated levers, and our strong footstep allows you to board easily and comfortably. On the left side of the operator seat, Solis 24HST has a Range Lever, a PTO Lever, a 2WD/4WD, and a Differential Lock which are easy to operate with less effort.

On the right side, the Solis 24HST has an Aviation style Position Lever & DCV Lever. The ergonomically located break pedal is on the left side of the operator. Our twin HST pedal, for Forward & Reverse provide fatigue-free operation. Solis 24HST has foldable ROPS to allow you to work in low-height fields.

QUALITY

The Solis 24HST, has a Japanese Technology based Hydrostatic Transmission, which is very efficient and very smooth. The Solis HST is super easy to operate with responsive twin pedals, where one is for forward and the other for reverse. The Solis 24HST has a Cruise Control feature to reduce fatigue. The Solis 24HST is powered by a Tier 4 Mitsubishi Engine, with our Heavy Duty Transmission, it provides you reliable, long work sessions. Our Single Piece Hood is designed to be very durable that can withstand rough and tough work conditions.

VERSATILITY

The Solis Compact Series is a complete range of tractors that can help you with your lawn, garden, and even small farm. Our Solis Front End Loaders have the highest lift capacity (at the pivot point) in their class. The wide variety of Accessories that we offer ensure, you accomplish every job on your property.

COMFORT

H24
CABIN

STANDARD EQUIPMENT FOR CABIN

- Heater Cabin
- Wide Operator Platform
- Mid & Rear PTO
- 2-Stage Opening Rear Window
- Cab Interior Light
- Cruise Control
- Radio Ready
- Front and Rear LED Work Lights
- Side Mirrors
- Deluxe Suspension Seat
- Front & Rear Wiper
- Floor Mat
- Cup Holder
- Integrated Loader Joystick

SPACIOUS & COMFORTABLE CABIN

The Compact Series delivers incredible comfort for the operator, courtesy of our new integrated cab. The Four Pillar design gives you extra space and a great view of your work area. Our door entry is broad, allowing ease of entrance and exit.

STYLISH PROJECTOR HEAD LIGHTS

Our stylish EPA compliant projector head lamps project a high intensity, focused, wide spread beam. As a result, you may comfortably continue your work until well after dark.

COMFORT

Our large cab provides you a panoramic view. Our ergonomically placed levers are designed to enhance your user experience and ease operations, all with the goal of making it more efficient and productive for you.

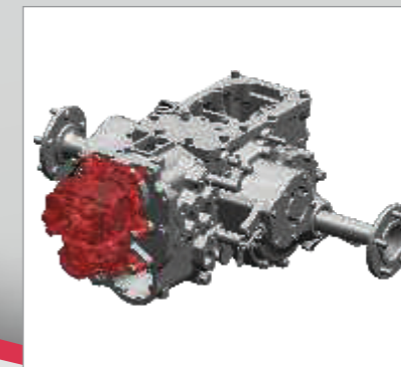

H24
ROPS

VERSATILE OPERATIONS

Our tractors provide you with a versatile, efficient platform for accomplishing a wide array of tasks: loading, mowing, towing, and so much more.

STANDARD EQUIPMENT FOR OUR OPEN STATION MODEL

- Deluxe Seat with Arm Rests
- Cruise Control
- Wide Flat Platform Area
- 1DA External Hydraulic Port with Detent Feature
- Floor Mat
- Cup Holder
- Integrated Loader Joystick
- Lower Link Stabilizer
- Button Operated Wet PTO

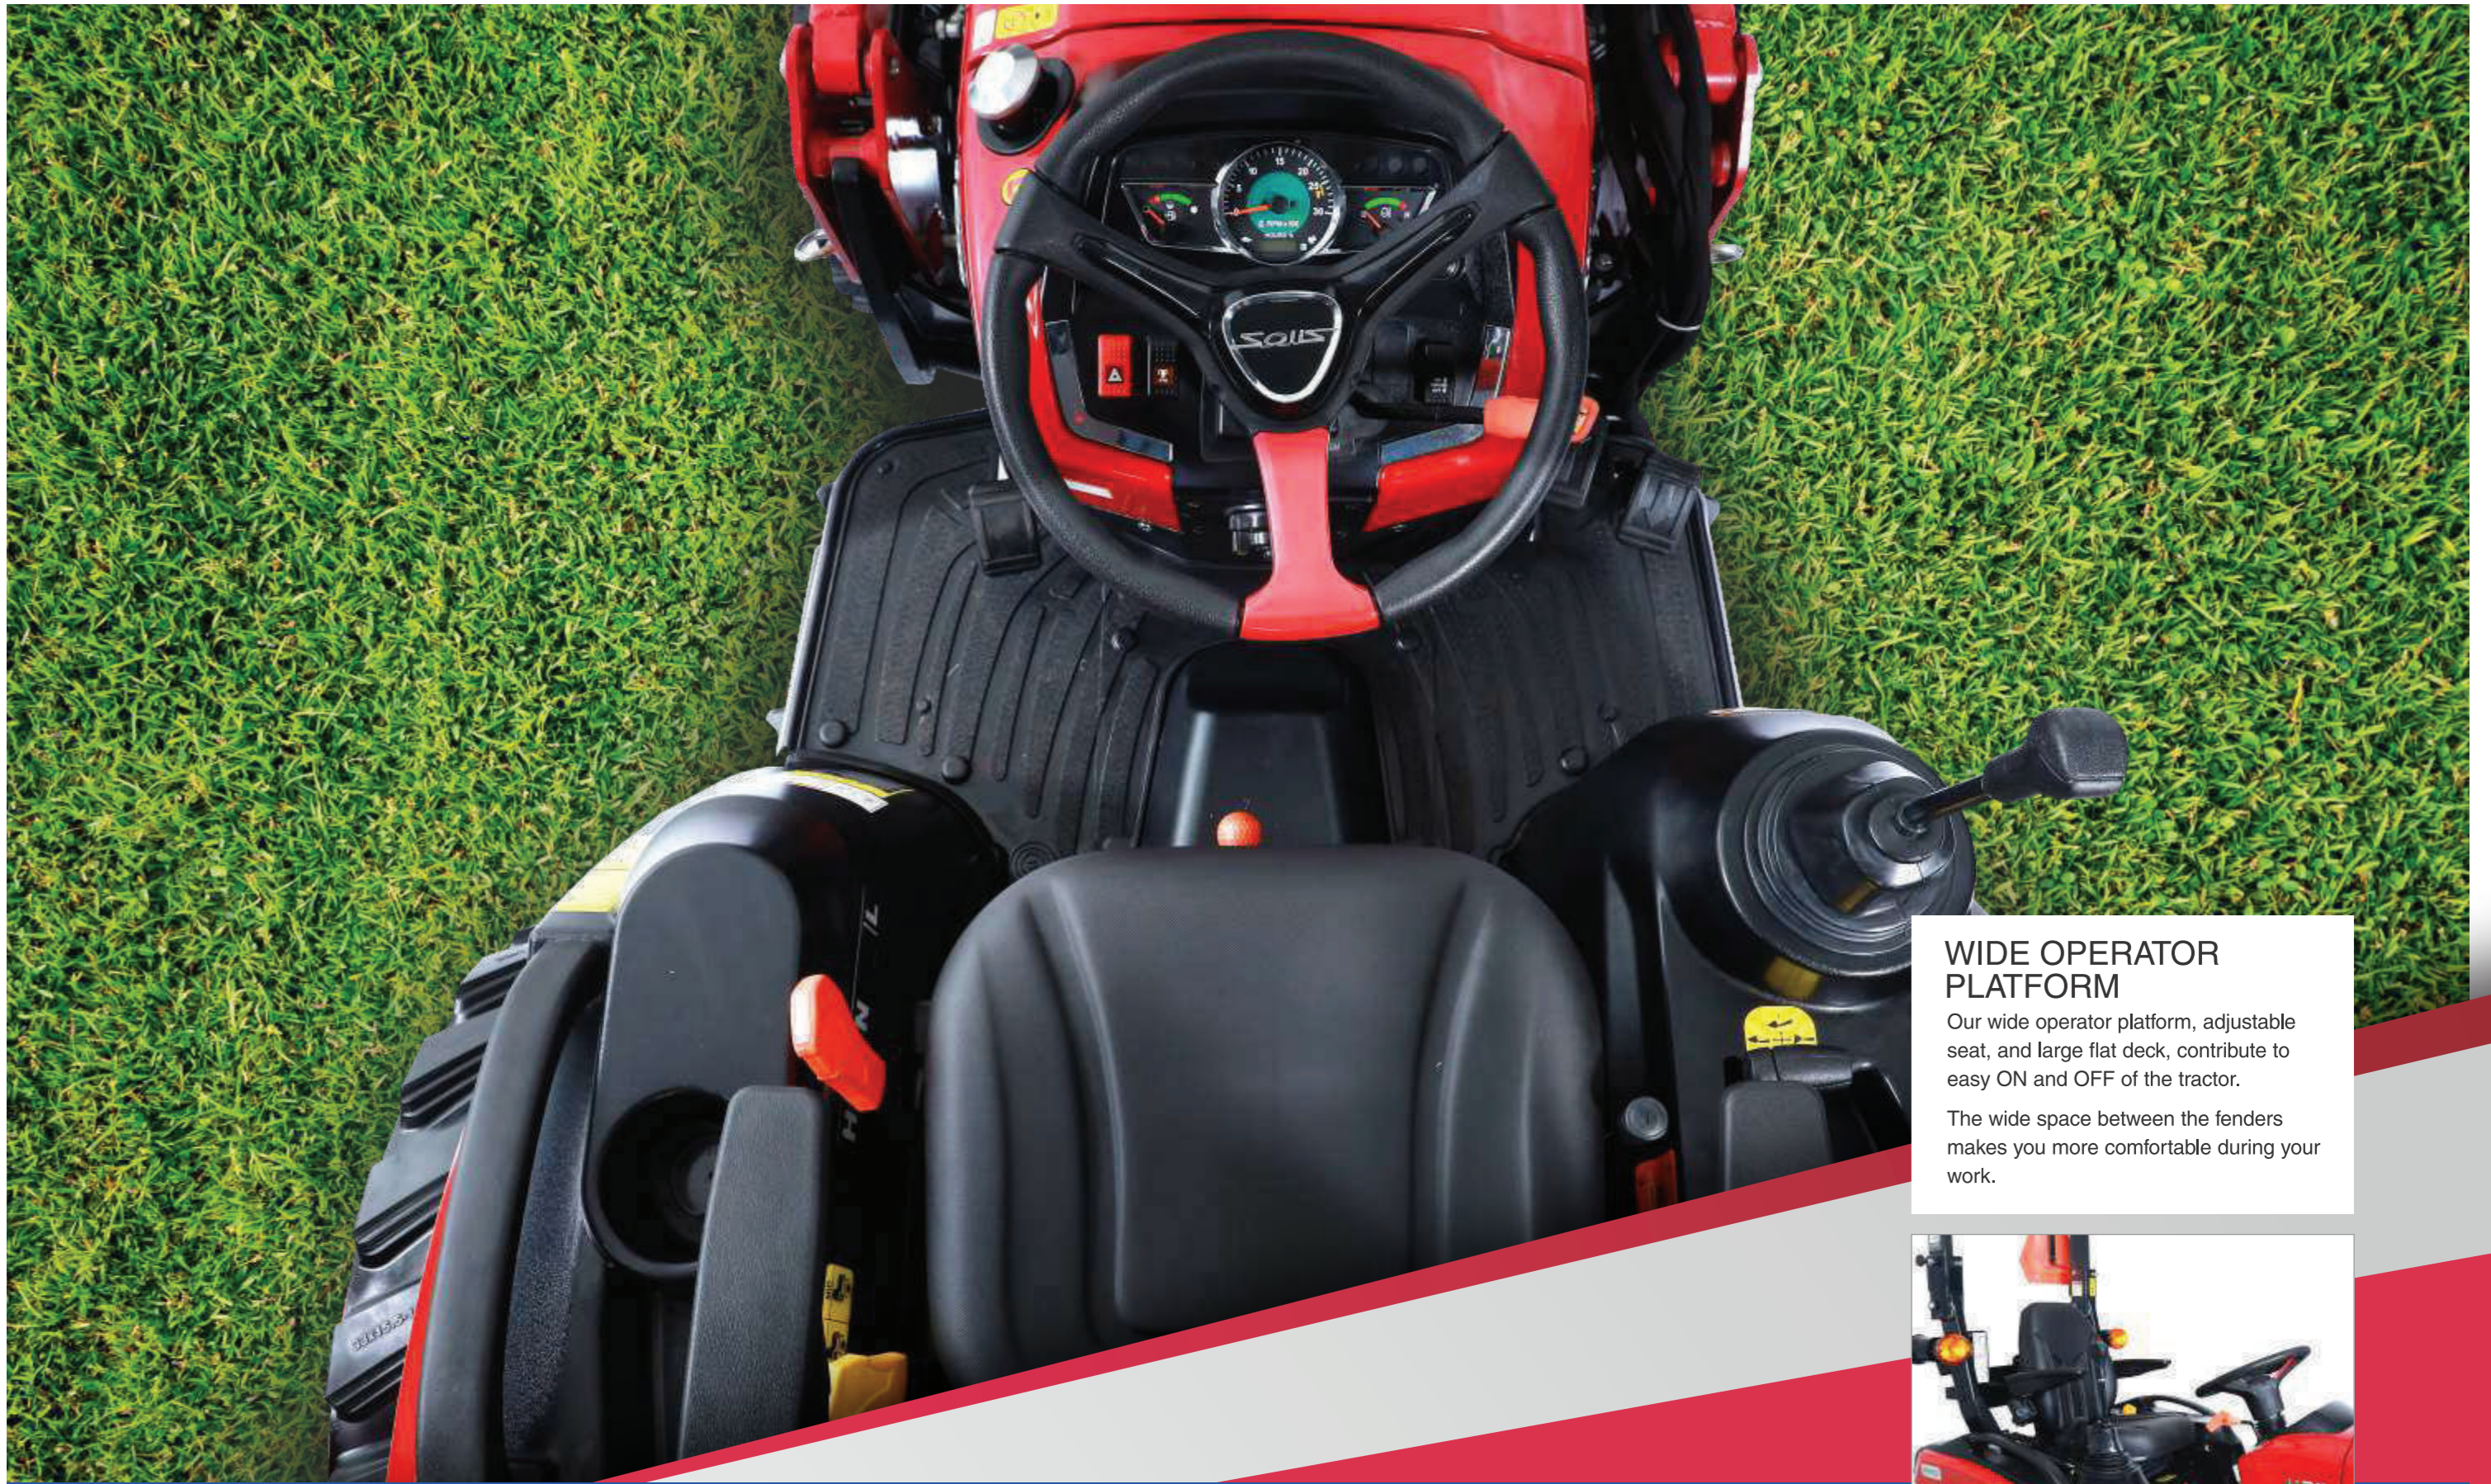

COMFORT The New H24 ROPS

Our Compact Series is designed to meet your work challenge. We help you do your work efficiently.

Our "All Day Comfort Seat" will allow you to work long days, and ensure you remain comfortable even during your toughest jobs.

Our clutchless Hydrostatic Transmission allows for easy operation, and is designed to provide the optimal speed suited to your task.

Our control levers are strategically placed for easy access, on both our right and left consoles. Further, our switches are conveniently located near our instrument panel.

WIDE OPERATOR PLATFORM

Our wide operator platform, adjustable seat, and large flat deck, contribute to easy ON and OFF of the tractor.

The wide space between the fenders makes you more comfortable during your work.

H24 - POWER AND COMFORTS

Our Compact Series is the ultimate solution for the job, offering so many Accessories to help you get your job finished.

SPECIAL UTILITY MODEL FEATURES

- Flat Operator Platform
- Deluxe Seat
- Integrated Loader Joystick
- Cup Holder
- Floor Mat
- Mid-PTO
- Cruise Control
- Footstep at Both Sides

QUALITY

DURABILITY

Our Solis Compact Series gives you peace of mind. Our Solis tractors are tough and durable, and will work hard for you, season after season.

QUICK CLEANING

EASY MAINTENANCE

Easy Maintenance with One-Piece Metal Hood

Our headlamps and grill are integrated into the hood, which allows for easy opening and closing of the hood, and easy access for the engine.

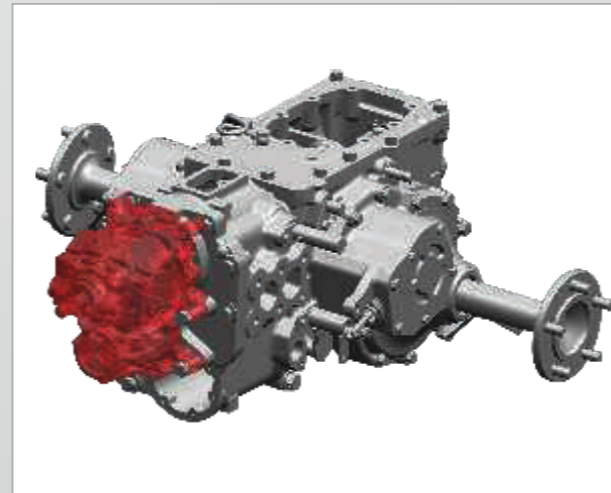

Heavy Duty Transmission

Solis tractor transmissions are strong, and they last. Our powerful 4WD axle allows you to tackle tough conditions in the field. Our tight turning radius lets you turn in less space, smoothly. Our front tow hook will come in handy, too.

MITSUBISHI DIESEL ENGINE: RELIABLE AND ADVANCED

Solis is equipped with the reliable Mitsubishi Engine, coupled with a Japanese HST transmission, this provides a super tough combination. Solis tractors deliver quality and durability, making your tractor a long-term investment. Fuel economy is unmatched.

JAPANESE HST TRANSMISSION

Solis HST is super easy to operate with responsive twin pedals, one for forward and the other for reverse. Solis 24HST has a Cruise Control feature for fatigue free operation. The brakes are oil immersed for smoother functioning, and advanced safety features ensure that your farming experience is safe.

QUALITY

Solis is the top-selling compact tractor brand in Europe in the 24HP segment, and now it is available in the United States and Canada. Solis journey to become a worldwide player in the tractor business began 25 years ago. Over these past few decades, Solis has built its reputation on performance, quality, value, and trust. Solis tractors are sold in over 150+ countries across the globe.
